# Kalinka

vene rahvaviis

The image shows a bass guitar tablature for the song 'Kalinka'. The tablature consists of six horizontal lines representing the strings. Above the first string, there is a chord diagram for E7, which is a power chord with dots at the 3rd and 5th frets. Above the fifth string, there is another chord diagram for A min, with dots at the 2nd and 3rd frets. The bass part starts with a note on the A string (dot at 0), followed by a rest. This pattern repeats three times, then changes to a new section where the bass player plays notes on the E string (dot at 0) and the A string (dot at 0). The tablature ends with a single dot on the A string.
